

700 CARGO FOLD GRATING

The **700 Cargo Fold Grating**, the first cargopallet with collapsible walls and available on wheels, specifically for the food industry, is completely folding. With this system, in case of transport and storage of empty containers, **you shall earn 63% in volume: a stack of eight folded Cargo is the same height as three open ones**. The special white polyamide wheels, fastened to the base of the Cargo Fold, include special galvanized steel cross bars to ensure hold and stability of the load; moreover they allow use with heavy duty loads up to 600 Kg. The version for fruits and vegetables are designed with smooth gridded opening, having an internal radius, to avoid any damage at the most delicate goods. Rounded edges and corners to easy cleaning for the maximum hygiene.

The overlap of Cargo Fold 700 is secured by 4 cylinder/spherical pins obtained directly from the mold on top of the container that fit into appropriate seats machined at the bottom of the legs/runners of container. The 35 mm recessed ensure maximum safety and stability of the overlap.

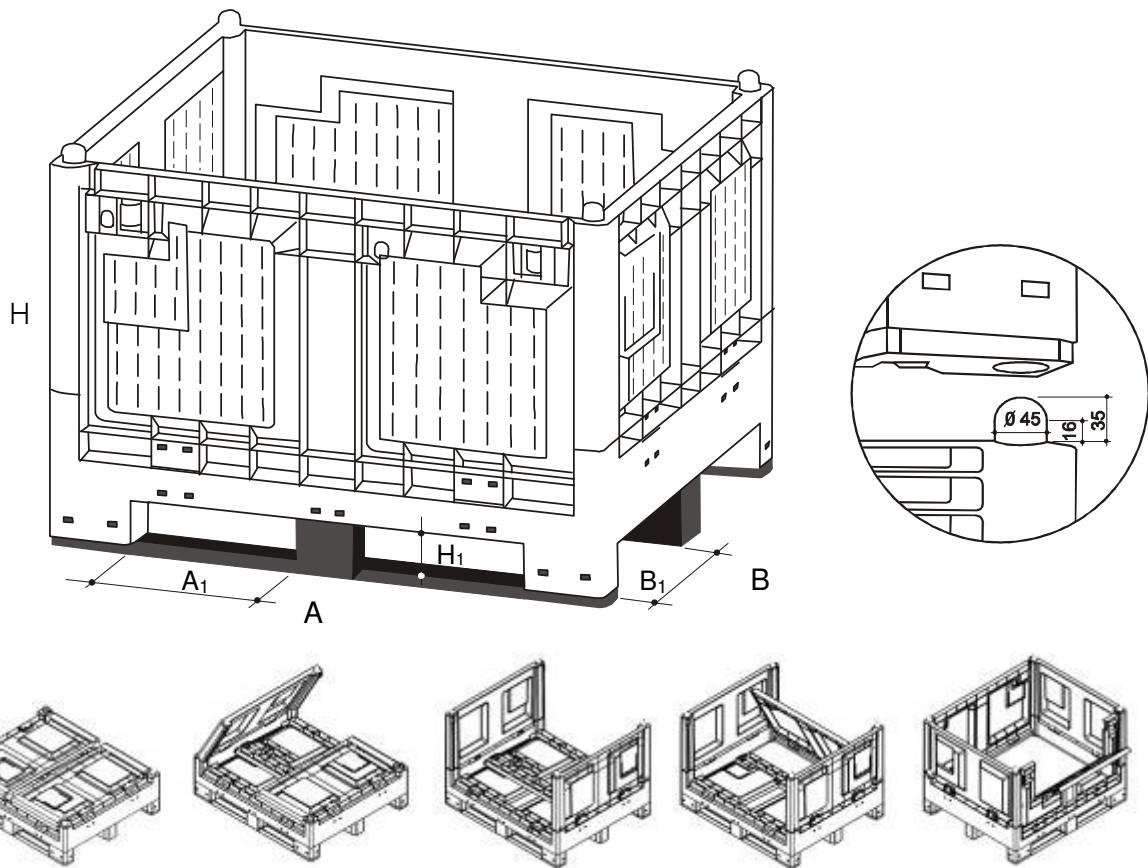

Available in HDPE, PP or RPP, both very resilient and sturdy. No metal inserts at all, Cargo Fold is completely recyclable. Feet, hinges and locking mechanism in black colour are immediately visible, and appear very nice with the grey walls and base. The Cargo, completely dismountable, allows the replacement of eventually damaged parts. Every wall can be fitted with card holder for an immediate identification of the content and can be personalized with the company logo. Also available with folding door.

Capacity max: 650 dm³. Max loading capacity: 200 kg - Maximum charge in piling: 800 kg
